Studio Organ Bench

Description

The Studio Organ Bench is an affordable option for organ workstations in home and hobby environments.

The bench is finished with a walnut-stained wood-veneer to match our popular MIDI pedalboard. The bench is sufficiently wide to accommodate AGO standard pedalboards.

To reduce shipping costs, the unit is flat packed and requires assembly. A Phillips screw driver and hammer are all that is required.

Features

- o Walnut-stained wood-veneer to match our popular MIDI Pedalboard
- o Sufficient clearance (46.5") between legs to accommodate AGO standard pedalboards
- o Shipped flat-packed to reduce shipping costs
- o Weight: 61 lbs
- o Dimensions
 - Packed: 52" x 15.5" x 4.75"
 - Assembled: 51.25" high x 25" wide x 14.25" deep

Applications

The Studio Organ Bench is intended for light duty home and hobby use. The unit is not designed for regular moving, institutional, or professional use.
